

T I E B R E A K E R :

In a situation where two (2) teams are tied, head to head competition will determine the winner. If more than two (2) teams are tied, a point differential (maximum of 13 points) will be applied. The differentials of each game are totaled and the teams are ranked accordingly. The team with the lowest total is eliminated, and will finish in third place. Then the winner from the remaining two (2) teams are determined by Head-to-Head competition.
